Board of Governors
Foundation for Superannuation
Of the Canadian Reformed Churches

Dear Brothers in Christ:

Re: Year ended December 31, 2015

I have audited the books and records of the Foundation for the year ended December 31, 2015.

I inspected all records, books of account and any other material I deemed appropriate to complete my report.

Report of my review:

- That the accounting records of the Foundation have been properly and diligently kept, and
- That the financial statements prepared by or for the Administration Committee for presentation to the Board presents fairly the financial position of the Foundation as at the year-end date and the results of its operations for the year then ended.

If you have any questions please contact the undersigned.

Yours in Christ's service,
